

## TAKE YOUR IMAGERY & VIDEO TO NEW HEIGHTS

### BENEFITS

#### VIDEO IS KING

Highlight your facility even more with custom video footage. Video helps make your website more impactful and stickier. Your footage can be used in time-lapse presentations, social media and more.

#### SHINE THROUGH FOR LESS

Help your course stand apart with imagery and videos that show off your layout, facility and amenities. With multiple packages to choose from, we have the solution for every golf course and any budget.

#### NAIL EVERY SHOT

Ballrooms and bunkers, spacious fairways or challenging greens, our professional photographers know how to capture your property's best features and set it apart from the competition.

**Capture the beauty of your course from every perspective with drone video and photography services.**

Partner with **GOLF Business Solutions** for golf course photography and videography that highlights the incredible beauty and challenges awaiting golfers at your property. From the first tee to the 19<sup>th</sup> hole and all points in between, make your business shine with eye-catching imagery.

#### Why use drones?

Drones provide a higher vantage point of your golf course, showcasing your course from high in the sky at a fraction of the time. Get those "hard to reach" areas of your facility and provide your golfers with the ultimate video experience.
